Separation with storage

Features:

- Adjustable, elastic assembled seat middle organizer
- Weight: 0,35Kg > Color: Black
- Assembled product dimensions (L x W x H):
 - 35 x 30 x 10 cm
- Material: Polyester + Oxford

Specifications:

- The car seat middle organizer completely covers the gap between the front two seats and make them your extra storage. It can stretch to the perfect size based on different spaces between the driver and the passenger seats of various car models.
- Adopted thickened polyester+oxford fiber with strong flexibility, it also serves as a special barrier that prevents naughty pets in the back seat from disturbing your daily drives.
- Seat middle organizer helps reduce distracted driving by providing easy access to your purse contents without taking your eyes off the road.
- Installation of this seat middle organizer is very simple:
 - Install the POM buckle on both sides on the metal bar of the headrest and adjust it to a suitable length.
 - Hook the following adhesive hook at any position under the car seat respectively.
